

Love Marriage And Arrange Marriage

Love Marriage -

- Partners individuals know each other already and mutually decide to spend the whole life with each other. Couple is aware of each other's likes and dislikes. Therefore they will get along well.
- love marriage give a satisfactory feeling to couple that they have chosen their partner not anyone else selected their partner. It also give them a feeling of freedom and sense of achievement that they are marrying someone who they were craving to get married with.
- Couple can eradicate social evil like dowry with their mutual consent because they have the independence to take such decisions at their own level.
- It is a normal human tendency to project our positives to impress others. And when our mind is attracted towards someone, we do tend to show all our good notes to get that person's attention.
- Love marriages are not based on rules of society so people getting married don't care for social customs which may not be very good as per modern time.

Arranged Marriage -

- Arrange Marriage is not a contract between two individuals alone but a confluence of two families. Two families involved in arrange marriages know each other very well and are compatible with each other.
- There are more people involved in arrange marriage, the conflict between the couple will be effectively resolved or mitigated. Couple is guided by parents experience

whereas in love marriage couple is unknown about the future complexities in life and lacks this experience.

- Arrange marriage is made in heaven. Respect and true love between the couples. Thrilling moments. It's like hidden treasure and more you explore about your partner strengthen the love, understanding, feeling and relationship. Long lasting true relationship.
- An arranged marriage reflects the actual idea that marriage is a contract and both parties know what to expect from the other. It's not often that arranged marriages result in the kind of madly in love type of relationships, but they usually do have a settled and loving bond with each other that works.
- It is good in some societies because it is following the religious customs, it is a sign of honor and respect to the families involved and it is the culture of the community.
